Gentlemen

Your coins on approval came duly to hand and I have retained for the following that I have selected at a fair price from 1 to 25 inclusive but the Three Dollar piece I return herewith at the price you mention you can have any time and remember that I can have most any coin I want from Heath Woods and the Mint Cabinet before I send them before your book at 905 in Le Roux and see if that does describe it as far as I can see it does except yours as you have omitted the edge in yours. In your former letter you said your ad 830 in Silver & Bronze have they been sold or did you forget them also 1125 M.

I have returned four of the coins to the Woodward as they proved to be duplicates and

In looking over W & H Catalogue I have picked out the following Numbers wishing you to return me the list as soon as possible stating what you think they will bring at this sale, or what you think they are worth to sell for. Page 20 No 492 I purchased a Coat for $1.25 which was bought for me at $30 — but I sent it back to Vienna for some alteration & did not see one of the garments till after my return & then the sale was over & I must say I was disappointed in it. It is the same one see if you think it is, or not, or see if it is genuine and if so what will it bring

[illegible] I have a Catalogue [illegible] I have not had it out for some time & cannot remember the prices put upon them. Can you get them for me & if so what will they sell for? I bought the Catalogue from you about March 5th 1884 but cannot find your bill just now so I do not know what I paid you for it. Please write at your earliest convenience so I can get your letter as soon as possible & tell me what you [illegible] your commission will be for selling them. If you should buy for me I can send other names from time to time that I may want

Yours truly

Mr S H & H Chapman
Gentlemen.

I notified you by letter yesterday of shipping a box of Coins & Medals and other things containing one Thousand and Twenty Prize pieces besides 375 U.S. Cents and some Holders Etc. I hope will be enough for the prize [illegible] nearly 6000 pieces I sent in previous shipments to you? Can you not tell me if you ask what you shall do with the U.S. and other coins that you think will not retail but face value or less. I wrote to you in 3 or 4 letters previous to put all in that condition also the Lead and Bogus pieces on one side until you have sorted all out and then send them all back to me by Express so I can check them off my list so as for me to know what was really in my sale I make a note of it for future reference so you will know what I will done with them in the future Shipments for the other sales as I can exchange & trade them off to other Collectors without any loss to me You will find some Rare & Re-Rare Coins amongst them sent from Boston N.Y. Phila & Rare Issues of Other Southern & Confederate States; a fine lot of Masonic Rare Medals & Pennies; one set of Columbus Medals of each plates with a lot of fine Rare Columbia medals and a lot of U.S. Medals of Washington & other Generals of the North & Southern States & some Southern States Paper Cards and other things you will find a few duplicates but you can work them in as they are different Conditions;

I hope you will sell all you can Singly or any Lots as it is possable to do so; As I want my Sales to Cater to the real Collectors and not to the dealers & I know then we will get better prices for them and it will pay us both better; that was why Woodward made such success in his Sales;

as soon after you have them all arranged let me hear from you when you think the Sale will take place and how many Plates you a going to have in the Catalogue and all other information that will interest me I would like to know as early as possable as I am thinking of making a Journey to visit to Buffalo & to stay there down from there to Phil. to attend the Sales & get what I can to do; My wife was taken with 3 Apoplatic Strokes and was unconscious most all the time for 9 days before she died so I am from you soon

Yours Very Cordially
